

SC-836-000-WZ

AA ER14505M 3.6V lithium battery

Details

- For use with SmartCell wireless devices

SC-836-000-WZ

AA ER14505M 3.6V lithium battery

Technical specifications

Electrical Characteristics

Nominal voltage	3.6 V
-----------------	-------

Physical

Physical dimensions	14.5 x 50.5 mm (Ø x D)
---------------------	------------------------

Net weight	19 g
------------	------

Environmental

Operating temperature	-55 to +80°C
-----------------------	--------------

Storage temperature	<20°C
---------------------	-------
