

TVN-20XX-HDD-2T

TruVision NVR 20, 21, 50 HDD expansion kit, 2 TB storage

Overview

The TVN-20XX-HDD-2T is a 2 TB SATA hard drive kit for TruVision recorders. Two plastic brackets are attached to the hard drive so that it can be inserted in the TruVision recorders with removable hard drives (TVR 44HDseries, TVR 45HD series, TVR46 series, TVN 20 series, TVN 22 series and for non-RAID models of the TVN 70 and TVN71 series).

Western Digital Purple hard drive series

The Western Digital Purple surveillance hard drives are especially designed for video surveillance applications. The hard drives contain specific technologies to reduce errors, pixelation and other video interruptions.

The drives have an enhanced workload rating that supports systems designed for 24/7 video recording.

Details

- Hard drive expansion kit for video surveillance applications
- Contains brackets for adding the hard drive to TruVision recorders with flip-open front panel
